Dear parents, families, and friends,

Assalaamu alaikum wa rahmatullahi wa barakatuh,

We would like to extend a very warm welcome to the Toledo Islamic Academy (TIA) Annual Fundraising Dinner. We genuinely appreciate your attendance and generosity this evening. Your presence here is a testament of your commitment to support our students learn and live Islam.

TIA has been serving the Toledo community since 1995 and offers a blend of Islamic and Ohio state curricula giving our students a unique perspective to their education. The focus of our school is to develop our students into a well-rounded citizen; physically, socially, intellectually, and spiritually to allow them to be successful in this world and the hereafter.

Our graduates continue to be accepted into best universities and have a 100 percent record of attending four-year colleges across the country. All these great achievements would not have been possible without your support and involvement. As Abu Hurairah reported, Prophet Muhammed PBUH said, “When a person dies, his deeds come to an end, except three; recurring charity, knowledge (by which people benefit), and a pious child who prays for him (the deceased).” [Sahih Muslim]

We thank you for your time and generous donations. Together, we make it possible for our children to attain great education and become outstanding citizens.

Best Regards,

TIA Fundraising Committee
