

Congratulations!

2025

CONGRATULATIONS ON AN AMAZING YEAR!

As the 2024 - 2025 school year comes to an end, we'd like to take a moment to celebrate all of the wonderful things that we've accomplished together this year as students, teachers, staff, and families! Each day filled with learning, laughter, and memories has brought each of our scholars closer to the next milestone in their academic journey.

Congratulations to the Class of 2025, and to the graduating Pre-School/ Kindergarten, 5th grade, and 8th grade classes as they move on to the next chapter of their scholastic adventure!

MEET THE KINDERGARTEN ROBOTICS TEAM!

Mrs. Nida Badar's Kindergarten Robotics Workshop was a phenomenal success this year! Through her innovative workshop, Mrs. Nida helped her KG students engage in hands-on, interactive activities designed just for them. Using a symbol-based coding system, students learned to program robots to draw shapes. In doing so, students were able to explore the foundations of robotics in a playful and engaging way. Throughout the workshop, students built valuable skills in problem-solving, critical thinking, creativity, and early math.

A special highlight of this workshop was the introduction of peer mentoring. Our kindergarteners supported and guided their friends during the activities, practicing communication, collaboration, and leadership in a fun and encouraging environment. Congratulations to Mrs. Nida and her Robotics Team!

THANK YOU, PTO!

In keeping with tradition, the PTO sponsored a wonderful Fiesta-themed Teacher Appreciation week for TIA's teachers & Staff. Their warmly met gestures of appreciation included a week-long provision of snacks and gifts, a hydration bar, and a wonderful Mexican - inspired lunch. On behalf of TIA's teachers and staff, we'd like to thank the PTO for an amazing week of bringing us all together, and for all of your dedication and support to our school throughout the year!

4TH GRADE ISLAMIC STUDIES PROJECTS

Marking the completion of a year's worth of learning, Mrs. Amna Alzain's 4th Grade Islamic Studies Class presents their visual representations of the story of Prophet Yusuf (PBUH).

L.E.A.D. PROGRAM – 2025 GRADUATION

Congratulations to the 5th Grade class on graduating from the L.E.A.D. (Law Enforcement Against Drugs & Violence) Program. Representatives of the Sylvania Police Department, in cooperation with TIA Staff & Administration, recently hosted a graduation ceremony for the 5th Grade Class.
